ABOUT CITY PARKS FOUNDATION

City Parks Foundation (CPF) is the only independent, nonprofit organization whose mission is to offer programs in public parks throughout the five boroughs of New York City. We are dedicated to invigorating and transforming parks into dynamic, vibrant centers of urban life through sports, arts, community development, and education programs for all New Yorkers. Our programs and community building initiatives -- located in more than 350 parks, recreation centers, and public schools across New York City -- reach 425,000 people each year. Our ethos is simple: we believe thriving parks mean thriving communities.

- We present the largest free, outdoor performing arts festival in NYC through SummerStage, presenting artists of the highest quality across multiple disciplines and genres, and marionette puppet theater in all five boroughs with our Swedish Cottage Marionette Theatre and the roving PuppetMobile.
- Partnerships for Parks, a public-private program of City Parks Foundation and NYC Parks, supports and champions a growing network of leaders who care and advocate for the transformation of their neighborhood parks.
- We connect youngsters to nature in the urban environment with education programs that provide learning experiences through classroom and hands-on activities in parks, urban forests, coastal areas, gardens, and recreation centers.
- Free golf, tennis, track & field, soccer, and fitness programs bring high-quality instruction and equipment into areas where few organized athletic opportunities exist. We offer leveled training, year-round scholarship coaching, and special pro events.
