

INFORMATION SESSIONS:

Capacity Fund Grant

Do you have an exciting project idea for your local park, garden, or green space? Come and learn about how you can fund your park or garden project by applying to Partnerships for Parks' **Capacity Fund Grant**. We give out small grants up to \$3000 to community groups dedicated to their local parks. Our grants support projects that build community groups' capacity through outreach, membership, and programming. We'll share everything you need to know about the application; including timelines, project examples, and eligibility. We will also outline what makes a great application! Light snacks will be provided.
