HOLD YOUR NEXT EVENT AT A SUMMERSTAGE IN CENTRAL PARK
A SAFE, NYS GUIDELINE-COMPLIANT OUTDOOR VENUE

ABOUT SUMMERSTAGE

The Capital One City Parks Foundation SummerStage Festival's Central Park flagship venue is uniquely situated in a stunning location at Rumsey Playfield, 72nd Street and Fifth Avenue. The venue underwent an extensive \$6 million upgrade in 2019, transforming the space into a state of the art, seasonal concert facility.

With a capacity of 5,000 (unless otherwise determined by New York State guidelines) and a location right in the heart of New York's Central Park, there are few comparable outdoor event experiences. Our renovated venue, which is open from mid-May through early October each year, features VIP viewing areas; multiple private entertaining spaces; raised bleacher seating; and state-of-the-art production capabilities.

Our venue is available for full-day or multi-day private rentals including corporate events, fashion shows, lifestyle events, concerts, galas and fundraisers, television and film shoots, private events and more. Hosting your event at SummerStage will give you the peace of mind of an outdoor space with a professional staff and the amenities you need.

Hosting your event at SummerStage provides access to one of New York's most beloved outdoor summer traditions, while helping to sustain a festival that provides free and open access to world class culture for everyone. All event fees help ensure that SummerStage remains free and accessible to thousands of New Yorkers all around the city.

Event rentals may be modified in accordance with current NYS and NYC guidelines on public gatherings and performances.

Reopening in 2019 after a substantial refurbishment, SummerStage's Central Park venue offers an improved performance experience for artists and concert-going experience for guests.

Our renovated venue features new VIP viewing areas; private rental spaces; raised bleacher seating; a top-of-the-line sound system; and enhanced lighting design.

Events may bring in their own caterer, or may choose to work with our venue's concessionaire, who can provide full catering packages upon request.

Our team is available to answer any questions and provide any additional information.
