

ABOUT CITY PARKS FOUNDATION:

At City Parks Foundation, we are dedicated to invigorating and transforming parks into dynamic, vibrant centers of urban life through sports, arts, community building and education programs for all New Yorkers. Our programs -- located in more than 400 parks, recreation centers and public schools across New York City -- reach over 285,000 people each year. Our ethos is simple: thriving parks mean thriving communities.

ABOUT THE SWEDISH COTTAGE MARIONETTE THEATRE:

The enchanting Swedish architecture and craftsmanship of the Swedish Cottage which was suggestive of a model schoolhouse caught the eye of Central Park creator Frederick Law Olmsted, who brought it to Central Park in 1877. A traveling marionette company was founded in 1939 and in 1947 the Swedish Cottage became home to the company. In 1973, a permanent theater was constructed inside the Swedish Cottage, designed for marionette performances. Since then, hundreds of thousands of children and families from around the world have enjoyed original productions at the Swedish Cottage Marionette Theatre and CityParks PuppetMobile under the direction of City Parks Foundation and in partnership with the NYC Parks Department.

Generous private support for the Swedish Cottage Marionette Theatre is provided by the Connelly Foundation in memory of Judith Connelly Delouvrier, The Weinger Foundation, and Barbro Osher Pro Suecia Foundation.
